- Children 5 & under must have a parent in the water with them at ALL times.
 - For a singular parent with more than one child swimming, all children 5 & under must be wearing a floatation device regardless of swimming ability. Infants and children being held in the parent's arms do not need a floatation device. We do have a number of puddle jumpers here for use.
- Children 6 & 7 must have a parent present on the deck.
- Swim diapers are required for any child not potty trained. They are available at the front desk for \$1.
- Our noodles and equipment are for classes and lessons only. Members and Guests are welcome to bring their own pool toys.

OUR PROGRAMS

FUN SPLASH: For children 5 and under only. Must be accompanied by a parent in the water.

PRIVATE LESSONS can occur at any time of the day, any day of the week in any of our 3 pools.
