Join this friendly departmental competition and support a worthwhile cause in the process! Donate school supplies on your next visit to Five Points Washington by placing your donated items in the bin to support the Aquatics Department or the Fitness Department!

Donations will be accepted through July 31.

All donations will be distributed to elementary schools in Washington and Sunnyland in August.

Sign up for any yearly membership when you donate a school supply and you’ll receive your first month’s membership for only $20!
