You Don’t Have to “Go It Alone”... We’re Here to Help!

THE ANSWER! To Hybrid Learning and Skill Building at Five Points Washington

We know this school year will be different but you don’t have to go it alone. Sylvan is your family’s partner with virtual school days, elearning, homeschool work, homework and grade level skill building. Our Monday-Friday full or half day sessions increase your student’s confidence, perseverance and organization with school work.

In-Person Support
Dedicated learning environment with no distractions to keep your child focused and motivated to learn.
- Coaches keep your child on track with school assignments and online school sessions
- Coordination and communication with school teachers to make it easy on you
- Social connection with peers, with appropriate social distancing.

School Support by Sylvan
Perfect for Grades K-12
- Face-to-face attention and learning time with expert, caring and engaging certified teachers and coaches.
- Comprehensive assessment
- Additional grade level skill practice
